## REF: REQUEST FOR EMERGENCY SUPPORT

Following the Corona Virus Pandemic, we were advised to restrict access to any gathering and as a charitable institution who is law abiding citizens cater for children with disabilities providing care and protection, we get 90% support from the local churches, local companies and well-wishers who have withdrawn their visit to the institution due to the above Virus and Now for the last two weeks we are facing challenges on the following items,

*(This is a summary report from the  
monthly report of the institution)*
