RE: EXTENSION OF SCHOOLS RE-OPENING DATES BY CABINET SECRETARY MOE

The Government extended the closure and re-opening of schools by one month. Schools were set to re-open on 4th May 2020. However all schools public and private (Primary and Secondary) **MUST** follow the directives of the Government through the CS MOE that schools remain closed until the CS announces the re-opening dates.

All of us are aware of the Covid 19 pandemic which has occasioned closure of schools and other undertakings. This therefore is to request all principals and headteachers to continue communicating to parents through the bulk SMS or whatsapp groups or emails of protecting and ensuring safety of children at home.

There are programmes for learning through EDU TV and KBC Radio and kec.ac.ke. For details, teachers and parents can log in to KICD website www.kicd.ac.ke, @kicdkenya or kicdkenya facebook.

We wish you all well as you keep safe and adhere to the MOH guidelines of curbing infections and spread of Corona Virus by staying safe and working at home during this time, wearing masks, socially distancing and hand washing or use of hand sanitizers.

We pray for God's protection for our children, parents, teachers, officers and all Kenyans. It shall be well.
